

Working...

It's Time to Get a Job

Volunteer and Paid Work Will Help Your Future Career

1. Work is a great way to learn basic skills
 - ❖ Cooperating with others
 - ❖ Increased responsibilities
 - ❖ Value of money
 - ❖ Job skills
 - ❖ Time management skills
 - ❖ Self-confidence
2. Volunteer work is a good way to get experience when you are not sure what you want to do or how much time you will have to do it
3. Having a job when you are young will help you to find and keep a job when you are older
4. You won't lose your medical card if you get a SSI check every month and you start working (in Alabama you can make more than \$16,000/year before you lose your medical card)
5. Always let Social Security know when you are working and getting paid for it
